## WEEK 4

# Love

Heavenly Father,

As night falls, I come before you with a heart full of wonder and awe. Just as Joseph embraced Your will with steadfast faith and love for Mary and the Child she bore, help us to reflect that same love in our hearts and lives.

Teach us to act with patience, compassion, and kindness toward one another, embodying the spirit of Your love. May our actions honor You and prepare us to receive the joy of Christ's birth with hearts full of anticipation and desire.

In gratitude, we pray,  
Amen.
