

# ADVENT

## WEEK 2

# Peace

Heavenly Father,  
In Your boundless love and mercy,  
we come before You seeking peace.  
Just as You sent Your messenger, the  
angel Gabriel, to proclaim hope and  
reassurance, send Your peace into  
our hearts and lives. May Gabriel's  
voice remind us of Your promises,  
guiding us through our fears and  
doubts.

Lord, calm the storms within us  
and grant us the serenity to trust  
in Your divine plan. Fill our world  
with the peace that surpasses all  
understanding, and let Your light  
shine through us as beacons of hope  
and harmony as we move closer to  
the celebration of your birth.

In Your holy name, we pray.  
Amen.
