

ADVENT

WEEK 1

Hope

Heavenly Father,
As we begin the Road to Bethlehem
may Your light fill our hearts with
hope. Grant us the strength to
hold on and the courage to move
forward, especially in times of
struggle and doubt.

Through the loving intercession of
the Blessed Mother, who trusted in
Your will with unwavering faith,
inspire us to follow her example.
Remind us of Your promises and
renew our trust that we may
proclaim in our lives, as Mary did,
“My being proclaims the greatness
of the Lord!”

With longing and expectation
we pray. Amen
